New Sign, New Name

City workers install the new park sign to our park to clarify it's name. Don

Wendell, Plano Parks & Recreation agreed for the need of a sign in order to establish boundaries and rules for it's use by the public. "We met with Mr. Wendell who lives in this area to express the concerns of the Creekside North residents regarding the park. Colby and I showed a PowerPoint presentation on the park and relayed all of our concerns. Mr. Wendell was impressed and surprised at some of the elements discussed. He agreed to take several measures to address those issues. Installing the sign is intended to identify it to the

residents and the public who may think it is private property which can be abused. A sign of rules will be posted along with a doggie poop bag dispenser, garbage can added and both secured, a wire boundary will be installed along Jeker and another boundary will be put along Park Boulevard. This should be a worthy step in taking care of our park. Mr. Wendell also asked if homeowners would adopt the park in exchange for free installation of a rain garden on its perimeter. The responsibility of adoption is to patrol for litter. 'We are already doing that.'" Susan and Colby Norton
